

## CURRICULUM-VITAE

**Firuza R. Parikh, M.D., D.G.O., D.F.P., F.C.P.S., Dip.N.B.E.**

Director, Dept. of Assisted Reproduction & Genetics,  
Jaslok Hospital & Research Centre, Bombay, India.  
Email: [ivf@jaslokhospital.net](mailto:ivf@jaslokhospital.net)

### **PART I: GENERAL INFORMATION**

**Place of Birth:** Bombay, India.

**Citizenship:** Indian.

#### **Education:**

##### School:

1961- 1972: The Alexandra Girls' English Institution, Bombay.

##### Pre-Medical Education:

1972 – 1974: The Jai Hind College & Basant Singh Institute of Science, Bombay.

##### Medical Education:

1974 – 1979: Seth Gordhandas Sunderdas Medical College & King Edward VII Memorial Hospital, Bombay University, Bombay

##### Postdoctoral Education:

1979 Passed the Examination of the Commission for Foreign Medical Graduates. (E.C.F.M.G.)

1982 M. D. (Obstetrics & Gynaecology) The Seth Gordhandas Sunderdas Medical College & the King Edward VII Memorial Hospital, Bombay.

1982 Diploma in Gynaecology & Obstetrics. The College of Physicians & Surgeons of Bombay.

1983 Fellow of the College of Physicians & Surgeons of Bombay.

1984 Diploma in Family Planning, The College of Physicians & Surgeons of Bombay.

1984 Diplomate of the National Board of Examinations. (Obstetrics & Gynaecology)

1986-1989 Post Doctoral Fellow in the Department of Obstetrics & Gynecology, Yale University School of Medicine, New Haven, U.S.A.

## **PROFESSIONAL EXPERIENCE :**

- 1979-1980 : Rotating urban & rural internship, King Edward VII Memorial Hospital, Bombay.
- 1980 : Resident, Department of Obstetrics & Gynaecology, The Dr. R. N. Cooper Municipal Hospital, Bombay.
- 1980-1982 : Resident, Department of Obstetrics & Gynaecology, The Nowrosjee Wadia Maternity Hospital & Research Centre, Bombay.
- 1982-1983 : Family Planning Medical Officer, Department of Family Planning & Welfare, The Nowrosjee Wadia Maternity Hospital & Research Centre, Bombay.
- 1983-1985 : Chief Resident (Registrar), Department of Obstetrics & Gynaecology, The Nowrosjee Wadia Maternity Hospital & Research Centre, Bombay.
- 2/86-6/86 : Clinical Rotation, Department of Obstetrics & Gynaecology, Bridgeport Hospital, Bridgeport, Connecticut, U.S.A.
- 7/86-9/86 : Housestaff, Department of Surgery, Bridgeport Hospital, Bridgeport, Connecticut, U.S.A.
- 10/86-7/88 : Clinical Fellow, Department of Obstetrics & Gynaecology, Hospital of St. Raphael. New Haven, Connecticut, U.S.A.
- 7/87-6/88 : Postdoctoral Fellow, Department of Obstetrics & Gynaecology, Yale University School of Medicine, New Haven, Connecticut, U.S.A.
- 7/88-6/89 : Postdoctoral Associate, Department of Obstetrics & Gynaecology, Yale University School of Medicine, New Haven, Connecticut, U.S.A.

- 7/89-1995 : Head, Department of Infertility Management & Assisted Reproduction. Jaslok Hospital & Research Center, Bombay.
- 1995-Current : Director, Department of Assisted Reproduction and Genetics, Jaslok Hospital & Research Centre, Mumbai.
- 1993-2000 : Visiting Associate Professor,  
Department of Obstetrics and Gynecology  
Yale University School of Medicine,  
New Haven,USA
- 2000-2006 : Visiting Professor,  
Department of Obstetrics and Gynecology  
Yale University School of Medicine,  
New Haven,USA
- 2001-2003 : Founder-Director, Reliance Life Sciences  
Director Assisted Reproduction and Genetics &  
Embryonic Stem Cells, Reliance Life Sciences
- 7/2004-2006: Acting Deputy Director, Research,  
Head, Dept. of Molecular Medicine and Biology,  
Jaslok Hospital and Research Centre

## **OPERATIVE EXPERIENCE**

Performed and assisted in various major & minor gynecologic, obstetric, general surgery and infertility related procedures including abdominal and vaginal hysterectomy, exploratory laparotomy, operations for vaginal and uterine prolapse, myomectomy, reconstructive tubal, uterine, ovarian and vaginal surgery, repair of genital fistulae, tubal sterilization by vaginal and abdominal approach, operative and diagnostic laparoscopy, hysteroscopy. Assisted Reproductive technology related procedures include transvaginal sonographically directed follicular puncture for oocyte retrieval, Gamete intrafallopian transfer, Tubal preembryo transfer.

Has performed more than 1000 laparoscopic tubal sterilizations as a Family Planning Officer at Nowrosjee Wadia Maternity Hospital and in camps in urban and rural India. Has trained more than 50 Gynecologists from all over India in laparoscopic tubal sterilization.

## **LABORATORY EXPERIENCE:**

Training in all aspects of andrology and In Vitro Fertilization, cryopreservation of spermatozoa and embryos, quality control in the laboratory, micromanipulation of gametes including Intracytoplasmic Sperm Injection and Assisted Hatching.

Laboratory experience with Embryonic Stem Cell culture: During my tenure as Founder Director of Reliance Life Sciences, the latter was on the NIH list (2001) as one of the institute with embryonic stem cell lines. I was also responsible for setting up the Umbilical Cord Blood Stem Cell Repository and initiated the skin culture and collagen manufacture as part of the tissue engineering facilities.

## **AWARDS**

- 1995: The All India Ratna Shiromani Award for pioneering work in the field of Obstetrics and Gynaecology.
- 1995: Outstanding Young Indian Award given by the Indian Junior Chamber.
- 2001: Listed by the National Institutes of Health registry (USA) for research in Embryonic Stem Cells
- 2001: Felicitation by Organisation of Pharmaceutical Producers of India for outstanding research in Stem Cells.
- 2001: The M.D. Adatia Oration Award – Bombay Obstetrics and Gynecology Society Annual Conference.

- 2002: Kuvadia-Shah-Vora Oration Award on Stem Cell Therapy – Implications & Importance, by The Bombay Medical Association.
- 2006: Woman of the Year Award - Zonta International Organization.
- 2007: Hindustan Times Woman of the Year Award

### **SOCIETY MEMBERSHIPS**

- The Indian Society of Assisted Reproductive Technology - President – February 2003 onwards
- The American Fertility Society.
- The Bombay Obstetrics and Gynaecology Society.
- The Federation of Obstetrics and Gynaecological Societies of India.
- The Indian Association of Fertility and Sterility.
- The Indian Academy of Juvenile and Adolescent Gynaecology and Obstetrics.
- The Association of Medical Women in India.
- The Indian Association of Gynecological Endoscopists.
- Indian Society of Human Genetics.
- Member of the Drafting Committee to outline guidelines for Assisted Reproductive Technology at the national level (ICMR Project).

### **APPOINTMENTS :**

- President – Indian Society for Assisted Reproduction (2002-current)
- Member – Monitoring Committee of Network Project: Developing cells and tissue engineering – Council of Scientific and Industrial Research (CSIR)
- Recognized guide for MSc and PhD, Mumbai University

### **JOURNAL REVIEW :**

- Ad Hoc Editor Fertility and Sterility 2005
- Ad Hoc Editor of the Journal of In Vitro Fertilization & Embryo Transfer (1989).
- Coordinating Editor of the FOGSI FOCUS.
- Member Peer Review Committee for the Journal for Obstetrics and Gynecology of India – 2002 onwards.
- Editorial Board, International Journal of Human Genetics – 2003 onwards.

## **LECTURES**

### **I Guest lectures at the Annual Obstetrics & Gynecological Society Conferences:**

1. Physiology & Biochemistry of Ovulation: Sholapur, Maharashtra, Sept. 1989  
Assisted Reproduction: Bombay, April 1990.
2. Male Factor Infertility & Assisted Reproduction: Cochin, Kerala. Aug. 1990.
3. Luteal Phase Defects: Bombay, March 1991.
4. Recent trends in Ovarian Stimulation, Bombay, March 1993.
5. Micromanipulation of Gametes: Bombay, April 1994.
6. Recent trends in Ovulation Induction, Bombay 1995.
7. Recent Advances in Assisted Reproduction, Bombay 1997.
8. Preimplantation Genetic Diagnosis. Bombay 2001
9. Preimplantation Genetic Diagnosis. OBGYN Conference, Trivandrum 2001
10. The Dr. M. D. Adatia Oration: on Infertility and Stem cells, March 30 & 31, 2002.
11. Cloning – Should be regulated and not banned – March 22 and 23, 2003.

### **II Guest Lectures at the Annual State Conference of Obstetrics & Gynaecology:**

1. Sperm Concentration Techniques & Cryopreservation. Calicut, Kerala. Oct. 1990.
2. Assisted Reproduction - Past, Present & Future. Bharuch, Gujarat. Dec. 1992.
3. Male Infertility: First Marathwada Regional Conference, Nanded. Jan. 1994.
4. Recent Trends in the Gamete Laboratory. Kolhapur, Feb. 1994.
5. Recent Trends in the treatment of PCOD. Bombay 1999.
6. AMOGS Dr. Sindhu R. Pandit memorial keynote address on overview of ART Procedures. Loni, Ahmednagar, Feb 2006.
7. Themi Grant Oration on Cumulus Aided Embryo Transfer. Ruby Hall, Pune, March 2006

### **III Guest Lectures at the All India Conference of the Federation of the Obstetrics & Gynaecological Societies of India.**

1. Pathophysiology Of Polycystic Ovarian Disease. FOGSI, Nagpur, 1990.
2. Intrauterine Insemination. New Delhi, 1992.
3. Recent trends in Ovarian Stimulation, Calcutta, 1993.
4. Recent Advances in Assisted Reproduction, Kanpur 1995.
5. Laboratory aspects of the treatment of PCOD, FOGSI, Hyderabad, 1998.
6. Hope Beyond Forty, FOGSI, Lucknow, 1999.
7. Presentation at FOGSI, Bhubaneshwar: Embryonic Stem Cells – Advancing the frontiers of Medicine, 2002.
8. IVF and ICSI for whom and how. FOGSI, Agra.
9. IVF then and now. FOGSI, January 2004, Agra.
10. Enhancing implantation. FOGSI January 2005, Aurangabad.

#### **IV Guest lecture at other annual conferences**

1. Guest Lectures at Meeting of the Mumbai Urological Society - July 2002: "The Genetics of Male Infertility".
2. Guest Lecture at International Congress on Infertility – The genetic causes of male infertility, Mumbai – November 2003.
3. 9<sup>th</sup> ISAR conference on "Molecular and Cytogenetic Tests for Male and Female Infertility", 14<sup>th</sup> – 16<sup>th</sup> February 2003.
4. Genetics of Male and Female Infertility. (Oration). 10th ISAR-2004, February 2004, Jodhpur.
5. CAT and IVF. ISAR 2005, February 2005, Mumbai.

#### **V Guest lecture at International Conferences**

1. Dubai Ob\Gyn Specialists Meet – Enhancing Success with ART. July 2005.
2. Guest lecture at the Sixth Royan International Research Award's Scientific congress. September 7-9, 2005, Tehran-Iran "Cumulus Co-culture and Cumulus Aided Embryo Transfer (CAT) and IVF" Cumulus Co-Culture & Cumulus Aided Embryo Transfer
3. 2005 Flemish Society of Obstetricians and Gynaecologists VVOG 2005 International Congress, to be delivered in November 2005. Ghent, Belgium

#### **VI Symposia, Seminars, Panel Discussions, Clinical Meetings**

1. Assisted Reproduction: National Integrated Medical Association, Bombay, April 1990
2. Cryopreservation: The Indian Association of Gynaecological Endoscopists, Bombay May, 1990.
3. Assisted Reproduction & Male factor Infertility: Baroda Ob./Gyn. Society: July 1990.
4. Induction of Ovulation: Surat Ob./Gyn. Society: July 1990.
5. Sperm Function Testing for Fertilizing Potential: Indian Association of Fertility & Sterility, Bombay, Nov. 1990.
6. Polycystic Ovarian Disease: Ares-Serono, Bombay, Nov. 1990.
7. Assisted Reproduction - Newer Developments: General Practitioners' Association, Bombay, Dec. 1990.
8. Drug Addiction & Pregnancy: Pre-Congress Workshop, Nagpur, Dec. 1990.
9. Luteal Phase Defects: Madhya Kerala Conference, Cochin, Jan. 1991.
10. I.V.F.: National Conference on the Falloppian Tube, Bombay, Feb. 1991
11. Sperm Function Testing: Advanced Workshop on Male Infertility, Bombay, March 1991.
12. Unexplained Infertility: Borivili Gynaecologists, Bombay, March, 1991.
13. Assisted Reproduction: Bhavnagar Ob./Gyn. Society, April 1991.
14. The Future of I.V.F.: Mid-Town Rotary Club, July 1991.
15. Premature Ovarian Failure, Sperm Antibodies, Primary Amenorrhoea, Cochin, July 1991.

16. Amenorrhoea & Delayed Menarche: Federation of Ob./Gyn. Societies of India & the K.E.M. Hospital, Nov. 1991.
17. Ovulation Induction: The Indian College of Obstetricians & Gynaecologists of India, Bombay, Nov. 1991.
18. Medical Management of Infertility: Sion Hospital, Bombay, Feb. 1992
19. Rrefractory Ovulation: Mangalore Ob./Gyn. Society, April 1992.
20. Computer Assisted Semen Analysis, Micromanipulation, Kasturba Medical College, Manipal, April 1992.
21. Travelling Seminar on Infertility: Aligarh, Kanpur and Lucknow, April 1992.
22. Drugs for Ovulation: C.M.E. Program of the Jaslok Hospital & Research Center, July 1992.
23. Hormone Replacement Therapy: Pune Ob./Gyn. Society, Pune, July 1992.
24. Current Trends in Infertility Management: Akola Ob./Gyn. Society, Akola, Sept. 1992.
25. Infertility: International Association of the Lions' Club, District 323 A2, Bombay, Oct. 1992.
26. Induction of Ovulation: A Ward Medical Association, Bombay Nov. 1992.
27. Computer Assisted Semen Analysis: Bombay Ob./Gyn. Society Clinical Meeting, Bombay, Nov. 1992.
28. Infertility Update: I.M.A. Chembur Branch, Bombay, Dec. 1992.
29. Corpus Luteum Dysfunction, Bombay Gynaecologists, Dec. 1992.
30. I.V.F. vs. Tubal Microsurgery: Bombay Ob./Gyn. Society meeting, Jan. 1993.
31. Computer Assisted Semen Analysis; Training Course in Sperm Biology. The Institute for Research in Reproduction. July 1993.
32. Assisted Reproduction- The Cutting Edge. Lecture to the Rotary Club of Bombay hills South. August 1993.
33. Seminar on Endometriosis. The International Conference on Pregnancy at Risk. September 1993.
34. Male Infertility: Lecture at the 2<sup>nd</sup> World Congress on Voluntary Sterilization and Family Welfare. October 1993.
35. Recent Advances in Ovulation Induction: A Symposium on understanding and Managing Infertility. Secunderabad. Oct. 1993.
36. Recent trends in ovulation induction protocols. Congress on Endocrinology and Metabolism. Bombay. December 1993.
37. Assisted Reproduction – Through a Test-Tube: The Rotary Club of Bombay. March 1994.
38. Ovulation Induction: Ahmedabad Obstetrics and Gynaecological Society. March 1994.
39. Micromanipulation: Lecture, Recent Concepts in Male & Female Infertility and Applied Genetics, Bangalore, April 1994.
40. Micromanipulation: Andrology Workshop. Bombay. April 1994.
41. Computer Assisted Semen Analysis. The First National Conference of the Indian Society of Assisted Reproduction, Bombay, Nov. 1994.
42. Female Factor & I.V.F. - The Indian Experience. Pre Congress Symposium of the First National Conference of the Indian Society of Assisted Reproduction, Bombay, Nov. 1994.

43. Panel Discussion on Ovulation Induction. The First National Conference of the Indian Society of Assisted Reproduction, Bombay, November 1994.
44. Clinical Problems in Infertility. 48<sup>th</sup> Annual Congress of the Indian Radiological & Imaging Association. Bombay, January 1995.
45. Micromanipulation - Video film. Third National Conference of Human Reproduction, Agra, February 1995.
46. Assisted Hatching- Video film. International Conference on the Zona Pellucida. New Delhi, December 1995.
47. Sperm Function Testing- A Critical Review. The Second National Conference of the Indian Society of Assisted Reproduction. Jaipur, February 1996.
48. Micromanipulation- An Indian Experience, The Second National Conference of the Indian Society of Assisted Reproduction. Jaipur, February 1996.
49. Recent Advances in Assisted Reproduction, Conference of the Indian Society of Assisted Reproduction, Calcutta, 1997.
50. Assisted Reproduction Conference of the Indian Society of Assisted Reproduction, Madras.
51. ICSI, Conference of the Indian Society of Assisted Reproduction, Ahmedabad, 1999.
52. Assisted Hatching, Conference of the Indian Society of Assisted Reproduction, New Delhi, 2000.
53. Preimplantation Genetic Diagnosis, Conference of the Indian Society of Assisted Reproduction, Gauhati, 2001.
54. Presentation at Chemtech Foundation, Mumbai: Overview on Reliance Life Sciences, January 2002.
55. Presentation at Employees State Insurance Corporation (ESI Scheme Maharashtra): on Recent Advances in Assisted Reproduction, October, 2001
56. Presentation at Indian Association of Occupational Health : on Recent Advances in Assisted Reproduction, October, 2001
57. Presentation at Hi-Tech Pune – “e-merging Technologies”: On Embryonic Stem (ES) Cells – Advancing the Frontiers of Medicine. , December 2001.
58. Presentation at InCHES Health Foundation (InCHES Update 2001): On Embryonic Stem (ES) Cells – Advancing the Frontiers of Medicine., December, 2001.
59. National Symposium On Recent Trends In Life Sciences and Biotechnology, Department of Life Sciences & Biotechnology, University of Bombay, Kalina Campus : on Stem Cells – Advancing The Frontiers of Medicine’, November, 2001.
60. Presentation at Mahabiotech Yatra organized by Nicholas Piramal on “Stem Cell Research” on 7<sup>th</sup> August 2002.
61. Presentation at TIFR on “Academics, Clinicians and Industry – Starting fruitful dialogue” on 4<sup>th</sup> August 2002.
62. Presentation at WIRCO 2003 held by Department of Othopaedics, LTMG Hospital, Sion, and Mumbai on “Stem Cell Research – Therapeutic Approaches” held on 14<sup>th</sup> –15<sup>th</sup> December 2002.
63. Guest Lecture at Biotech World Expo 2003 organized by Chemtech foundation on “Stem Cell Biotechnology and its future” on 22<sup>nd</sup> – 26<sup>th</sup> January 2003.

64. Presentation on “Advances in Infertility treatment” at Neotia Care Center, Kolkatta on International Woman Day Symposium on 8<sup>th</sup> March 2003.
65. Presentation on “Stem Cell Research” at the Rotary Club on 26<sup>th</sup> February 2003.
66. Presentation at the Institute of Science on “Cytogenetic and Molecular Diagnosis for Male and Female Infertility” and “Stem Cell Biotech and its future”, 11<sup>th</sup> March 2003.
67. Presentation at K.C. College on “Biotechnology – Impact on future world”.
68. Genetic causes of male infertility. International Congress on infertility by FOGSI and MOGS, (Renaissance Mumbai Hotel), Pawai, Mumbai, 14<sup>th</sup> November 2003.
69. Panel discussion at International Congress on Infertility - Implantation Failure – 15<sup>th</sup> November 2003.
70. Preimplantation Genetic Diagnosis. Invited video. International Congress on infertility by FOGSI and MOGS, (Renaissance Mumbai Hotel), Pawai, Mumbai, 16<sup>th</sup> November 2003.
71. Assisted Hatching and PGD. 23 January 2004, IISc, Bangalore.
72. Analysis of male factor infertility. VII National conference and workshop of Indian Society of Prenatal Diagnosis and Therapy (ISPAT), Ahmedabad, January 25, 2004

## **CONFERENCES & WORKSHOPS CONDUCTED**

1. Intrauterine Insemination Techniques: Jaslok Hospital & Research Centre, Bombay, Nov. 1990.
2. Advanced Workshop on Male Infertility: Jaslok Hospital & Research Centre, Bombay, March 1991.
3. Intrauterine Insemination Techniques: Lady Hardinge Medical College; Dhall Hospital, New Delhi, March 1992.
4. Advanced Training Workshop in Assisted Reproduction. Nov. 22-24, 1994.
5. Preimplantation Genetic Diagnosis Workshop at the 9<sup>th</sup> ISAR Conference in Indore – 13<sup>th</sup> February 2003.
6. Intrauterine Insemination Techniques. Jaslok Hospital, Jan 2004 onwards.
7. Endoscopy Workshop, ISAR, Feb 2005.
8. Genetics and PGD Workshop. ISAR 2005, Mumbai.
9. International Congress on Assisted Reproductive Technology and Advances in Infertility Management: ISAR 2005, Mumbai.
